SBA Grants, Counseling, and Financing to Facilitate Global Market Sales

**May 17, 2022
1:00- 2:00 PM EST**

As we emerge from a global pandemic, demand for U.S. products and services is on the rise. The U.S. Small Business Administration (SBA) has resources that can help you take advantage of these opportunities.

This webinar will feature three successful small business exporters that have utilized Small Business Development Center (SBDC) counseling and SBA export promotion resources to grow global sales.

Whether you are new to export or currently exporting and looking to grow your sales, this webinar is for you!

There is no cost for the webinar, but advance registration is required.
